6G-PATH × 6G-VERSUS JOINT WORKSHOP | HOSTED BY THE UNIVERSITY OF BRADFORD

6G for Sustainable Development: Connecting Innovation, KVIs and the SDGs

Two Projects, One Agenda: 6G-PATH and 6G-VERSUS on 6G and the SDGs

Thursday 29 October 2026 | **10:00 - 11:30 (UK time)** | **Online · MS Teams**

What we will explore

1. **6G for sustainability**
how 6G can support environmental, social and economic sustainability

2. **Connecting 6G with the SDGs**
linking 6G use cases and outcomes to relevant UN Sustainable Development Goals

3. **Shared lessons from the field**
what 6G-PATH and 6G-VERSUS pilots across Europe are telling us

4. **A joint path to impact**
aligning KPI → KVI → impact methods across projects for policy and society
